

English for Specific Purposes (ESP) (2nd year of study, 1st and 2nd semester)

Number of ECTS credits allocated: 1

Level of course: BA

Type of course: (Optional)

Name of the lecturer:

Assist. Prof. Dr. Simona Catrinel AVARVAREI

COURSE objective (seminar)

The class is largely practical, focusing on class activities such as reading, use of English-oriented exercises at the intermediate and upper-intermediate level, translations, conversations on various life sciences related topics, but also on British culture and civilization. Students are encouraged and challenged to consider the future attainment of an international English certificate.

Contents (syllabus)

Seminars
Practical applications on texts related to the main field of study – life sciences
Grammar and vocabulary exercises
Pre-final exam
