

# **PRACTICUM (Master - FOOD INDUSTRY EXPERTISE, 2<sup>nd</sup> year of study, 4<sup>th</sup> semester)**

**Credit value (ECTS) 27**

## **Course category**

Domain (Imposed)

## **Supervising teacher**

**PhD. Lecturer Eduard BOGHIȚĂ**

## **Objectives - competence**

- Familiarizing students with working techniques in TPPA laboratories by mastering the methods of chromatographic, spectrophotometric, NIR techniques related to product authentication and identification of counterfeits in the field of food engineering.
- Acquiring and understanding the theoretical basis specific to the discipline of agri-food strategies and policies, the skills regarding the quantification and interpretation of economic-financial indicators in order to identify the final causes of non-performance / performance.
- Knowledge of the elements that define the quality of food, quality conditions and defects specific to products of animal origin, as well as techniques and methods for assessing the quality of food of animal origin
- The acquisition by students of general notions of consumer protection legislation, certain defining elements of psychology and factors that may influence behavior, as well as how to make the purchase decision, before, during and after; knowledge of certain European rules and the conceptual framework of national legislation on consumer protection, but also some specific measures that can improve their self-protection, in particular food safety.

## **Minimum performance standards for competency assessment**

- Elaboration of a case study / team research to highlight the ability to solve problems and processes specific to the field (involvement in a project proposal)
- Elaboration of a paper using electronic techniques for identifying, processing and capitalizing on data, information and knowledge, explicitly highlighting the awareness of intrinsic motivations for further learning

## **Evaluation**

<i>No. crt.</i>		<i>Scores</i>	<i>%</i>
1	Attendance at specialized practice	1,5	15,0
2	Evaluation along the way	1,0	10,0
3	Practice tutor's note	1,5	15,0
4	Note from the supervising teacher	6,0	60,0
	Final grade	10,0	100,0

## **Supervising teacher**

**PhD. Lecturer Eduard BOGHIȚĂ**
