Aleea Mihail Sadoveanu nr. 8,
700489, Iași

Areas of expertise

- Histology
- Histopathology
- Molecular Biology
- Ecotoxicology
- Neuroanatomy
- Microscopy

Competences

- Histology techniques
- Immunohistochemistry (IHC/IF)
- PCR, Real-Time PCR
- In situ hybridization (ISH)
- Next generation sequencing (NGS)
- Data analysis

Professional experience

2024 - present International research project member

Within the project entitled: Deciphering the virus/tick/vertebrate interactions in a hotspot of emergence: the Danube Delta ecosystem, a hub of the Africa-Europe migratory bird route, under grant contract no. 21-312-0217530-67291L

2021 - present Research assistant

Within the Advanced Research Centre for Emerging Diseases, Zoonoses and Food Safety (ROVETEMERG), USV Iasi
Website : <https://rovetemerg.uaiasi.ro/>

2017 - present PhD student (co-tutelage thesis)

At the Doctoral School of Veterinary Medicine, USV Iasi, Romania and at the University Federico II, Naples, Italy
Specialization: Normal and Pathological Morphology, Preclinical Department, Faculty of Veterinary Medicine

2021 - 2021 Member of applied research project

In the framework of the project entitled: Serological, immunohistochemical and gene expression research in Ross 308 broilers reared with GreenTek Lighting complete lighting solution (lighting system, digital control and light composition recipe) to improve productivity and welfare, under grant contract no. 1342/01.02.2021

Education

2017 - present PhD student (co-tutelage thesis)

In the Doctoral School of Veterinary Medicine of Iasi, Preclinical Department, Faculty of Veterinary Medicine, University of Life Sciences "Ion Ionescu de la Brad" of Iasi, Aleea Mihail Sadoveanu nr. 3, Iasi, 700490, Romania, tel. 0232 407 407, rectorat@uaiasi.ro,
And at the University Federico II di Napoli, Faculty of Veterinary Medicine, L'Università degli Studi di Napoli Federico II, Corso Umberto I 40, 80138, Naples, Italy, tel. +39 081 2531111, dottricc@unina.it

2019 - 2021 Psycho-pedagogical training programs (Level I and II)

Psycho-pedagogical training program, Level I and II of the Department for the Preparation of Teaching Staff, USV Iasi - graduation certificate

2011 - 2017 Doctor of Veterinary Medicine (DVM)

Institution: Faculty of Veterinary Medicine, USAMV, Iasi
Graduated first of my year

2007 - 2011 High school graduation with a bilingual diploma in French

Institution: Colegiul Național, Iași

Research projects and grants

2024 - present **Team Member**

Project title: Deciphering the virus/tick/vertebrate interactions in a hotspot of emergence: the Danube Delta ecosystem, a hub of the Africa-Europe migratory bird route, under grant contract no. 21-312-0217530-67291L, project axis: research-innovation, project value: 150.000 \$

2021 - 2021 **Team Member**

Project title: Serological, immunohistochemical and gene expression research in Ross 308 broilers reared with GreenTek Lighting complete lighting solution (lighting system, digital control and light composition recipe) to improve productivity and welfare, grant contract no. 1342/01.02.2021, project axis applied research, project value: 50957 RON

Internships and scholarships

- 2018 - 2019** Institution: Università degli Studi di Napoli Federico II, Italy
Specialization: Neuroanatomy, Laboratory of Anatomy and Embryology, Erasmus+ Internship Mobility
- 2015 - 2016** Institution: Università degli Studi di Napoli Federico II, Italy
Specialization: Veterinary Medicine (5th year), Erasmus+ Study mobility
- 2017** Volunteer internship in the veterinary clinic Animăluțul Meu, Eternitate Street, no. 3, bl. 305, sc. A, Iasi, Romania
- 2015** Volunteer internship in the veterinary clinic Trivetorex, Bulevardul Ferdinand I 88, Bucharest, Romania
- 2014** Volunteer internship at Clamir Vet veterinary clinic, Șoseaua Nicolina, nr. 86, bl. 999B, Iași, Romania
