ANNOUNCEMENT
REGISTRATION FOR THE DISSERTATION

(1) Registration for the dissertation exam must be completed at the Secretariat of the Faculty of Veterinary Medicine in English by each candidate by **June 19, 2026**. To register, the candidate must submit to the Secretariat two printed copies of the dissertation, prepared in accordance with the Guide on the Completion of University Studies developed by IULS, as well as one electronic copy (CD/DVD or USB drive),the similarity (originality) report for the thesis, the written approval of the academic advisor, the registration form for the dissertation, and the receipt for the dissertation fee, 320 EUR .

(2) To verify the originality of the dissertation, the theses, saved in PDF format, must be submitted by students to their academic advisor (no later than June 15, 2026).

(3) The academic advisor sends the thesis in PDF format to the person designated by the Faculty Council to verify the theses using the anti-plagiarism system (Assoc. Prof. Dr. Dragos Anita)

(4) The person designated by the Faculty of Veterinary Medicine Council to verify dissertations using the anti-plagiarism system notes the similarity coefficients (SC) on the first page of the similarity report, under their signature. To be accepted, the checked theses must not exceed the values of 35% (SC1) and 15% (SC2), respectively. If these values are exceeded, a revision of the dissertation is required.

(5) The maximum number of checks allowed in the anti-plagiarism system is 3 and will be recorded on the first page of the similarity (originality) report, along with the opinion of the designated person and the final approval of the academic advisor.

(6) On the similarity report, the supervising faculty member will give (or withhold, as the case may be) their final approval regarding the defense of the thesis; subsequently, they will provide the candidate with the similarity report at the time of the dissertation defense**,** stating **whether they do or do not agree to the public defense, with their own signature.**

(7) The candidate is required to include in the final version of the dissertation, before the handwritten declaration on their own responsibility, the document received from the academic advisor containing the two favorable opinions.

(8) Registration for the dissertation exam is considered valid only upon receipt of confirmation (in person or online) from the secretariat of the Faculty of Veterinary Medicine in English.
