Dear Partner,

First of all, thank you for your intention of renewing our inter-institutional agreement and I apologise for the delay of our answer. We value our partnership and we would like to confirm the extension of our agreement via email until it can be renewed in EWP.

As the deadline you mentioned expired a while ago, please confirm that you consider our agreement valid.

Thank you for your collaboration!
Kind regards,

If you are not the right contact person for Erasmus+ agreements, please forward this email to the responsible person.

Erasmus Office,

Greetings from Ankara (TR ANKARA01).
We hope this email finds you well and wish you a happy new year.

We are contacting you regarding the renewal of agreements for the new Erasmus period 2022/23-2027/28. We are currently preparing our internal application process for Erasmus+ 2022/2023.

As you know, the new Erasmus without Paper (EWP) data exchange system is not up and running yet, and the European Commission has clarified that current Inter-Institutional Agreements can be considered valid until they are renewed digitally in EWP. We are ready for digital IIAs with a third party provider called erasmusport.

We kindly ask to inform us by December 24, 2021 whether you agree to renew the existing agreement. Please inform us if the renewal of the agreement will be with the same mobility numbers defined in the ongoing agreement or whether you would like to make any changes. We look forward to hearing from you at your earliest convenience and to continuing our cooperation.

If you wish to cancel the agreement, please notify us as soon as possible.

If you have already contacted us regarding renewal, do not take this email into account.

Have a nice week.

Best regards,

Ankara University
