

Erasmus+ Programme

Bilateral Inter-Institutional Agreement

Key Action 1 Learning Mobility for Higher Education Students and Staff

among EU Member States and third countries associated to the Programme

1

The institutions agree to cooperate for the exchange of students and/or staff in the context of the Erasmus+ programme. They commit to respect the quality requirements of the Erasmus Charter for Higher Education in all aspects related to the organisation and management of the mobility, including automatic recognition of the credits awarded to students by the partner institution as agreed in the Learning Agreement and confirmed in the Transcript of Records, or according to the learning outcomes of the modules completed abroad, as described in the Course Catalogue, in line with the European Credit Transfer and Accumulation System. The institutions agree on exchanging their mobility related data in line with the technical standards of the European Student Card Initiative.

Grading systems of the institutions

Receiving higher education institutions need to provide a link to the statistical distribution of grades or make the information available through EGRACONS according to the descriptions in the ECTS users' guide. The information will facilitate the interpretation of each grade awarded to students and will facilitate the credit transfer by the sending institution.

¹ Clauses may be added to this template agreement to better reflect the nature of the institutional partnership.

Validity period of the agreement

1. Grading systems of the institutions

It is recommended that receiving institutions provide the statistical distribution of grades according to the descriptions in the ECTS users guide (7). A link to a webpage can be enough. The table will facilitate the interpretation of each grade awarded to students and will facilitate the credit transfer by the sending institution

(7) http://ec.europa.eu/education/ects/users-guide/index_en.htm

University Claude Bernard – LYON 1 : Examinations and Grading

The typical grading system in France is based on a maximum score of 20 points, so that exams are usually passed as soon as the score reaches 10/20 or higher.

The final grade obtained for a teaching unit may be the result of a weighted average of different grades obtained along the semester (contrôle continu), or of a single final examination.

Depending on the teaching unit, either of the two options are adopted.

Grades	LYON 1	ECTS
Excellent	17 à 20	A
Very good	15-16	B
Good	13-14	C
Satisfactory	11	D
Passed	10	E
Fail	9	FX
	0-8	F

A Transcript of Records will be issued by the receiving institution no later than 5 weeks after the assessment period has finished at the receiving HEI.

Iasi University of Life Sciences (IULS): Student performances are graded individually and not on a statistical basis. In general, Iasi University of Life Sciences (IULS) uses the grading system charted below.

Description of the institutional grading system:

Insufficient/Failure	Sufficient	Satisfactory	Good	Very Good	Excellent
1-4	5	6	7-8	9	10

ECTS credits:

1 full academic year = 60 credits

1 semester = 30 credits
