**LIFE SCIENCES  
TODAY FOR TOMORROW**

Iasi, 24 - 25 October 2024

IULS 1842

## INVITATION

We are pleased to announce the XI<sup>th</sup> edition of the Congress "Life sciences today for tomorrow" set to take place from October 24-25, 2024 at "Ion Ionescu de la Brad" Iasi University for Life Sciences. We cordially invite you to participate and contribute to this exceptional gathering of professionals: researchers, academics and industry leaders organized by our university.

The aim of this event, specifically designed to share annually the latest research, studies and scientific results from the life science domain, is to facilitate an international platform for discussion and promotion of the most outstanding research, innovation and entrepreneurship experiences in order to increase international visibility as a key instrument for promoting our university academic and research achievements.

The selected papers will be published in the congress volume and in peer-reviewed journals indexed in the Web of Science Core Collection and in international databases (CAB International, Copernicus International, Genamics Journal Seek, SCIRIUS, DOAJ, AGRIS):

- "Journal of Applied Life Sciences and Environment" (ISSN 2784 - 0379);
- "Scientific Papers. Agronomy Series" (ISSN 1454-7414);
- "Scientific Papers. Horticulture Series" (ISSN 1454-7376);
- "Animal & Food Sciences Journal Iasi" (ISSN 2821 - 6644);
- "Scientific papers. Veterinary Medicine Series". (ISSN 1454-7406).

Some of the papers submitted and selected by the review committee that meet the requirements for publication in journals with international visibility will be published in journals with impact factor (e.g. Agriculture, Horticulture, Veterinary sciences from MDPI and other publishers).

We invite researchers and practitioners to submit their abstracts and papers for presentation at the congress. Detailed submission guidelines and important dates are available on our official website: <https://iulscongres.ro/>

On behalf of the Organizing Committee,

**Prof. Gerard JIȚĂREANU, PhD.**

Rector
