

TO THE ATTENTION OF

Faculty of Veterinary Medicine  
Selection Committee

Recommended criteria for establishing the number of points gained by the candidates who applied within the selection process (the same for all faculties):

Students (mobilities for study and training)

Nr. crt.	Surname and first name	Academic results (mean for the 1 <sup>st</sup> semester, current year)	Score in the foreign language test	Number of Erasmus+ mobilities previously carried out during the current study cycle	Difference (10 points-column 4)	Final score (arithmetic mean of columns 2, 3 and 4)
0	1	2	3	4	5	6

The lists with the final results for the University are drafted by the Erasmus+ Department.
